

## **INSTRUCTIONS FOR SHIPPING EXPANSION TANKS (or other water holding tanks)**

Thank you for choosing to send your evidence to DPI for inspection.

DPI works with carriers nationwide to pick up and transport evidence to our facility. Please follow the instructions below on how to prepare and ship your evidence to DPI.

- Call DPI's Customer Service Department for a quote or shipping cost comparison to see if we can save you money on shipping your expansion tank.
- Drain the water out of the tank.
- Please leave the evidence intact. Do not disassemble.
- Send to DPI for inspection.
