*How About A Program To Help You Bring
Money To Your Company?*

Product Awareness & Subrogation Training

Leads to Subrogation Success

When

Click on the date you would like to attend

Subrogation recovery is an important financial consideration in the insurance industry, since every dollar recovered is **bottom line profit!**

Fenton, MO

[Tuesday - September 15, 2015 at 10a.m. CDT](#)

Aware of the changing needs of our clients, **DPI** is committed to educating insurance adjusters, property claim managers, and subrogation specialists with an *in-depth* look at evidence handling and submission.

[Tuesday - September 15, 2015 at 2p.m. CDT](#)

Scottsdale, AZ

[Tuesday - September 22, 2015 at 10a.m. MDT](#)

This training session will assist the attendee in developing the necessary skills to properly identify potential causes of loss and the benefits of subrogation.

[Tuesday - September 22, 2015 at 2p.m. MDT](#)

****One hour CE credit available for TX and FL licensed adjusters!***

San Diego, CA

[Wednesday, October 14, 2015 - 10a.m. PDT](#)

Select the session you want to attend by clicking on one of the dates to the left. Seating is limited to 15 attendees per session and lasts approximately 90 minutes. **We also offer free onsite training.**
