New Rate Increases

DPI has the longest track record in the industry in providing you a good, quality service at a great price. Unfortunately we, like you, are experiencing increases in shipping and other operating costs. For the first time in 7 years, we are announcing a price increase to our basic operating rates. Effective February 1, 2019, the following increases will be in effect:

Level I Mail-In Inspection: \$350
Level II Mail -In Inspection: \$500
Level III Mail-In Inspection: \$600

All inbound packages using a DPI label will be charged at the rate of \$37.00, plus any additional over weight/size charges.

Return shipping will also increase to \$37.00, plus any additional over weight/size charges.

All other published rates will remain the same.

We look forward to serving you in 2019!
